## God's Word is a Light

Your word is a lamp to my feet and a light to my path. Psalm 119:105 (NIV)

Have you ever played Hide-and-Seek in the dark? Have you ever played Hide-and-Seek in the dark *and* in the woods? If you have then you know that a flashlight is a requirement to avoid tripping over roots and other obstacles in the dark. A light is necessary to keep you on a safe path.

Psalm 119 is a song of praise and a song of guidance. The author reminds us that God's word is wonderful. God's word is a light that guides us on our journey through life. When the way becomes hard or there is a fork in the path, God's word shows us the way. God's word is the way of faith, the way of hope and the way of love.

*But God's already made it plain how to live... what is God looking for in [us]. It is quite simple: Do what is fair and just to your neighbour, be compassionate and loyal in your love, and, [throughout your life, respect God].* Micah 6:8 (MSG)

## Marking our Paths

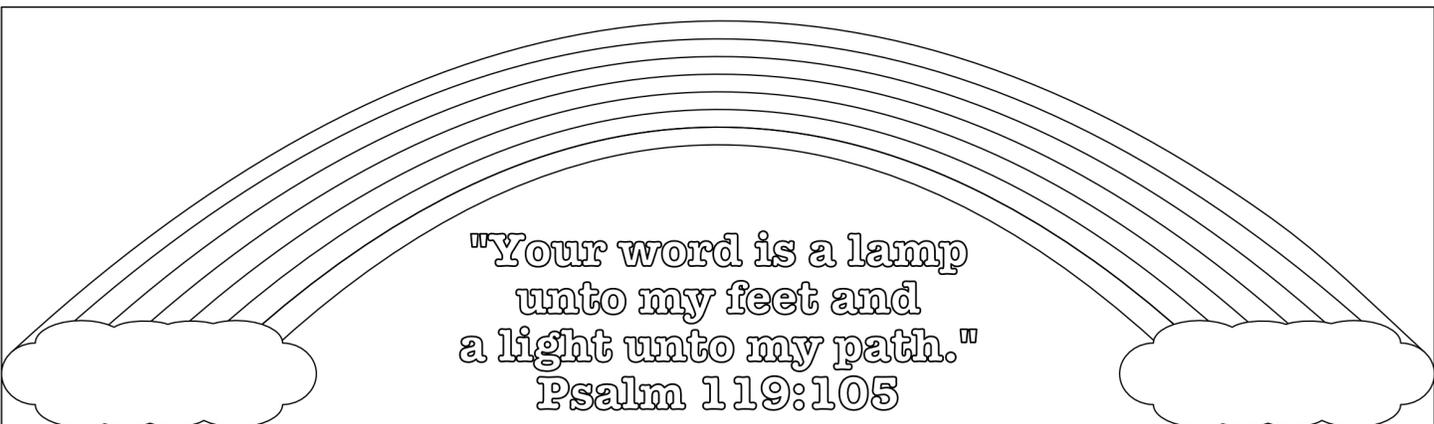

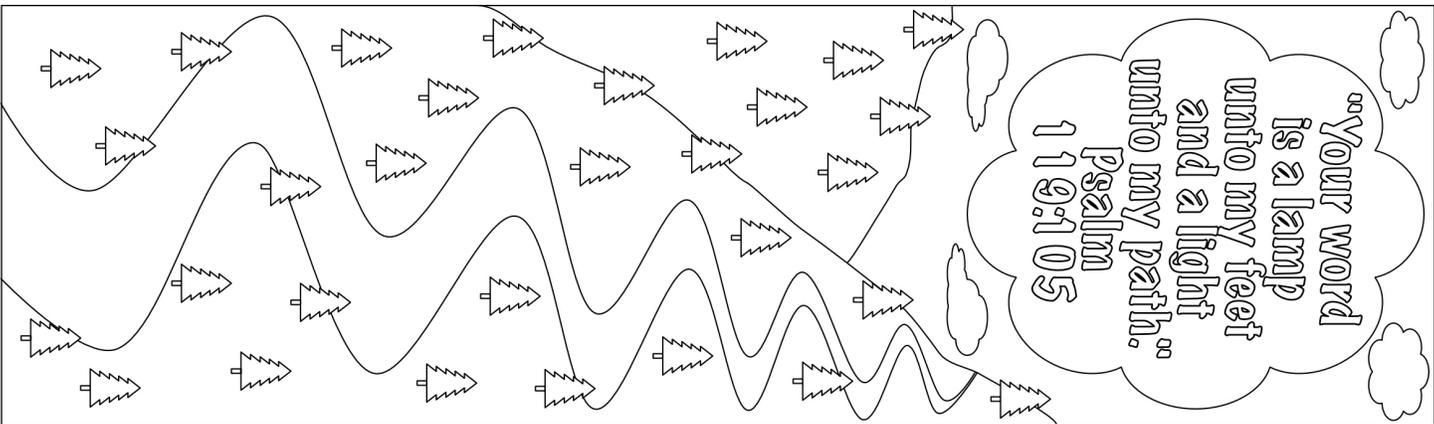

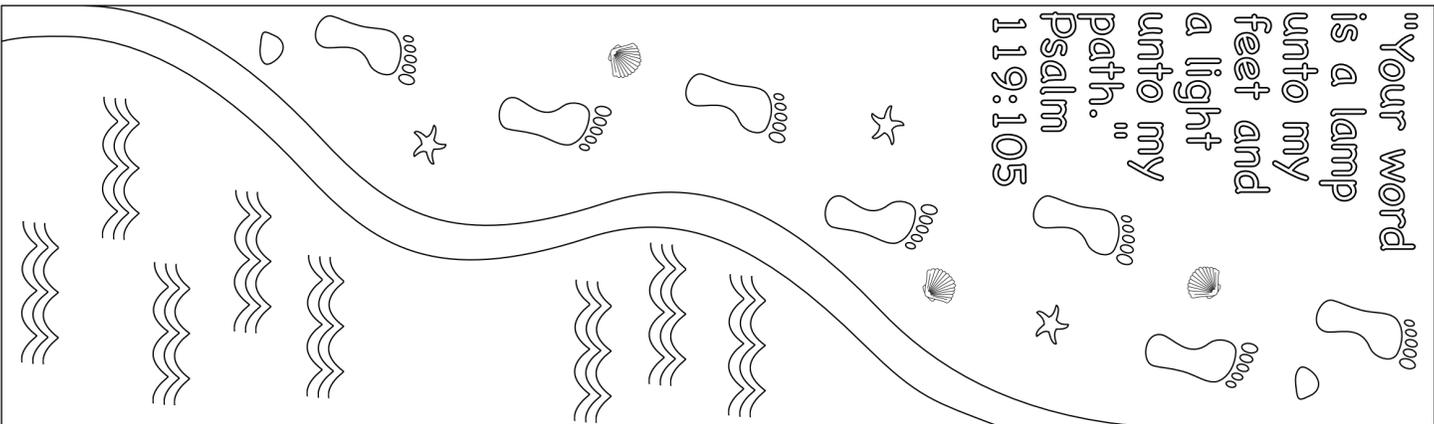

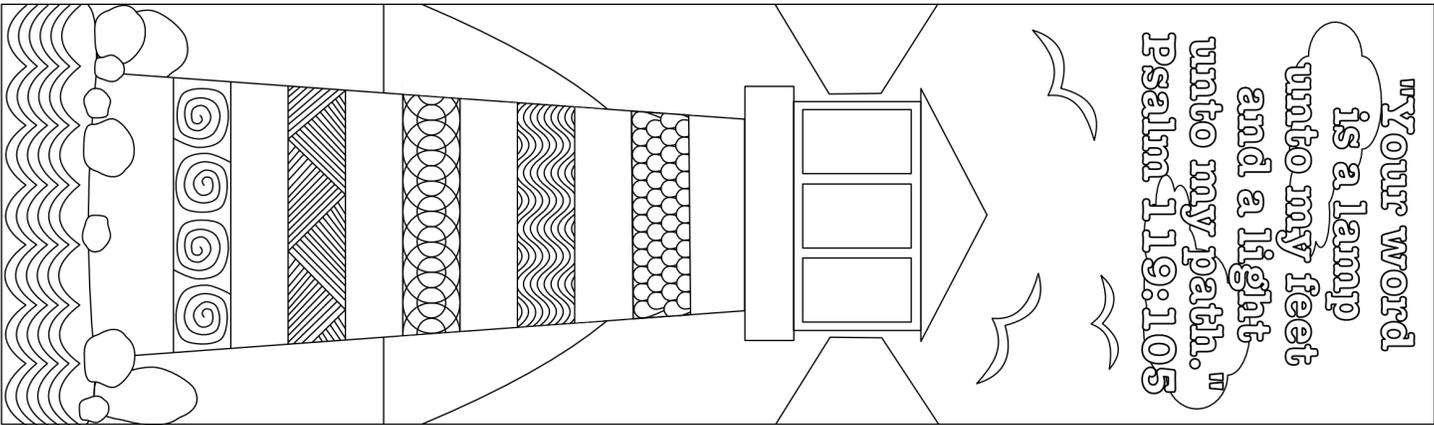

What are some of your favourite stories in the Bible? Does your Bible fall open to your favourite stories? Are there stories you flip to regularly? Are there stories you know by heart and can recite from memory?

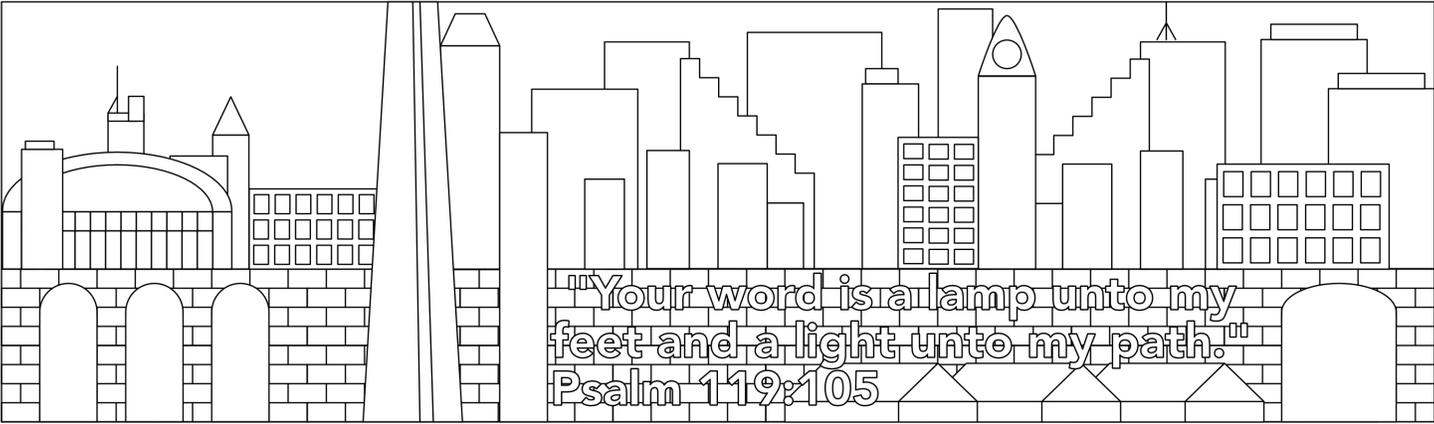

This week take some time to think about what sentences or stories from the Bible are meaningful to you. Use the templates below to make a bookmark or create your own bookmark using supplies you have at home. Use some string or embroidery floss to make a tassel.

What sentences or stories from the Bible help you make decisions? What sentences or stories from the Bible teach you to do the right thing? What questions do you have about the stories you read? You can use the back of your bookmark to write questions or comments! Share your questions or comments with your family, friends, minister or us!

Use the bookmarks in your Bible or in other books you are reading to remind you of God's light and love.
