

Thanks to all for your interest and great questions about the FBCH pre-authorized monthly offering. We thought we would take an opportunity to share a few common questions:

Q: I make regular monthly donations via e-transfer, am I included in the 44 regular monthly donors?

A: The 44 number includes all who are participating in the pre-authorized offering plan (POP). We recognize that we have many generous donors who give through other means throughout the month and we are very grateful for this.

For this particular campaign, we are trying to increase the number of pre-authorized donors to better assist with our monthly cash management. The pre-authorized plan helps us to better understand the *timing* of the monthly donations. This in turn helps us to budget and plan for ongoing expenditures related to the general operations of the church.

All donations are gratefully received and every dollar counts. This campaign is not meant to deter other forms of donation; however, if you are able to support the pre-authorized plan, we ask you to please consider doing so.

Q: I'm interested in the pre-authorized offering, but the 1st of the month doesn't work for my own personal budget. Is there any other option to participate?

A; Absolutely! We appreciate that the 1st of the month may not be ideal for all. We now offer the option for donors to make a pre-authorized offering on either the 1st or the 15th of the month (or the next business day when the 1st or 15th falls on a weekend or holiday).
